Thank You

Dear Church family,

We'd like to thank you all so very much for your prayers, cards and words of support during the past two weeks. Losing a parent is never easy but the love and concern you have showed us has truly been a comfort. Please know how thankful we are to have the support of such a compassionate congregation.

Love and prayers,
Jeff and Vanessa Berger

Teens, Parents and Technology – Saturday, May 22, 2010

Josiah Ritchie will be leading a seminar at CBC for teens, parents and anyone who wishes to attend. The time is 9 AM to 3 PM. Many of us feel at a loss using technology; having the resources, the know-how and the ability to navigate it. This is especially true when it concerns the safety of our teens and children. In this seminar we will learn how to evaluate, use and implement the technologies discussed. This hands-on work shop will help parents focus on parenting in a technology centered world, as well as equip children to be leaders that impact with Godly values and motives. Sign up at the WC. Suggested donation is \$7.00.

Mission: Equip attendees with tools to evaluate and use technology in light of Godly values and impact our world for God's glory.

How Technology changes us: a structure for understanding
Emerging technology

How the Internet changed us: the impact of information abundance

How Facebook is changing us: when everyone is a celebrity

How the Mobile Phone is changing us: the world in the palm of
your hand

How we should then live: Having a Godly impact in a technology
saturated world
